HOTMA Income and Assets:

Published on February 14, 2023, The Housing Opportunity Through Modernization Act of 2016 (HOTMA) Final Income Rule updated HUD regulations for various programs specific to the criteria of reviewing the income and assets of HUD assisted families. Some updates include changes to the methods for calculating family income, revising the definition of income and adjusted income, and putting a limit on public housing tenancy. The HOTMA income and asset requirements also set a limit on the amount and type of assets that assisted families may have, revised the definition of net family assets, and required that applicants for and recipients of assistance provide authorization to PHA's to obtain financial records. This resource inventory provides guidance to both PHA's and assisted families on these changes. Currently these are set to go into effect January 1, 2025. CMHA will implement these changes as mandated by HUD.

Implementation of Small Area Fair Market Rents (SAFMRS)

Starting 1/1/2025, CMHA is required to implement the Small Area Fair Market Rents (SAFMRS) in the Housing Choice Voucher (HCV) program due to being part of the Cincinnati Metropolitan Area. SAFMRS are calculated at the zip code level rather than the local market rate.

(c) The PHA must submit its Deconcentration Policy for Field Office Review.

<p>B.2</p>	<p>New Activities.</p> <p>(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?</p> <p>Y N</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Hope VI or Choice Neighborhoods.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Mixed Finance Modernization or Development.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Demolition and/or Disposition.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Conversion of Public Housing to Tenant Based Assistance.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Project Based Vouchers.</p> <p><input type="checkbox"/> <input checked="" type="checkbox"/> Units with Approved Vacancies for Modernization.</p> <p><input checked="" type="checkbox"/> <input type="checkbox"/> Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).</p> <p>(b) If any of these activities are planned for the current Fiscal Year, describe the activities. CMHA is in the middle of a HUD approved Section 18 disposition of 20 single family public housing units. The proceeds from these sales will be used to develop new affordable housing units maximizing the PHA's current unused Faircloth space. CMHA may pursue RAD conversion efforts to convert some of the remaining public housing units or our faircloth limit through either PBV or PBRA. CMHA may also seek to pursue Streamline Voluntary Conversion (SVC) since we qualify under the Small PHA designation. CMHA received 18 Tenant Protection Vouchers.

CMHA will continue to seek partnerships for PBV opportunities by fostering partnerships with agencies and organizations with an emphasis on serving the hardest to house populations which includes families impacted by or including members of VAWA, Domestic Violence, Homeless, Disabled and Elderly.

As part of Capital Fund Projects, CMHA may submit a Development and Acquisition Plan to convert the vacant Monroe Woods Community Center (non-dwelling structure) into multiple ADA units that will be fully wheelchair accessible.

CMHA is working with the other partners in region 14 to become a checkpoint for HMIS to help improve homeless tracking within the county. It bears mentioning that the AOS who completed the PHA’s 2019 – 2022 FDS audits did not have any year’s ending balances completed in time for the Audited FDS to be uploaded into Secure Systems until the 2022 audit which was entered a few days before it was due on June 30, 2023. A large majority of the corrections that CMHA had to enter were not because of lack of oversight of the financial records, but because of a late start and a late completion date of the AOS auditors. CMHA has complied in every way with the corrective action plan. The 2023 FDS is being completed by an IPA and is on track to be completed ahead of the scheduled due date to HUD on June 30, 2024.</p>

The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

Fair Housing Goal: Expand Outreach Efforts

Describe fair housing strategies and actions to achieve the goal

CMHA has expanded its outreach efforts whenever our wait list opens to include the SafetyNet Outreach Group, which has over 190 agencies throughout the Tri-State area. The Executive Director or a member of the management team attends the quarterly SafetyNet meetings to discuss questions regarding housing. The Executive Director also attends bimonthly Priority of Housing meetings with Greater Cincinnati Behavioral Health Services (GCBHS) and attends the meetings established by Clermont County Community Services Inc (CCCSI). These two agencies are Clermont County's two HMIS. CMHA is also a founding member of the Clermont County Housing Collaborative (CCHC) which officially started in 2023 to develop a county wide plan to address the growing housing issues within Clermont County. The Executive Director or their designee attend multiple events with other organizations each month to gain exposure for our program while also learning the other programs/agencies working with the homeless population. CMHA has also continued our Landlord Incentives to owners entering their first contracts with families moving into a new unit on the HCV Program.

Fair Housing Goal: Make Our Services More Accessible to the Public

Describe fair housing strategies and actions to achieve the goal

CMHA has created easy-to-reach brochures for interested landlords to learn about the HCV program, streamlined our applications, placed information boards in our lobby, improved our website format to include more resources/user friendly, and continue to offer online application processes for all applicants interested in applying for our services.

CMHA is also utilizing the resources of SafetyNet to reach out to other social service agencies throughout Clermont County about any job postings, open wait lists, and any events that would better serve our families.

CMHA provides a landlord list on our website and on a landlord board which any landlord can post their property and is available to walk in traffic in our lobby.

CMHA is also forming a partnership with the University of Cincinnati – Clermont to have an intern look at sprucing up our social media page as well as our website to provide more information about what CMHA is doing in the community.

Our new project, currently dubbed the Veteran's Village, will provide 28 units for veterans and will include seven wheelchair accessible units in an area where such accessibility is difficult to find.

CMHA has also implemented using DocuSign for families who have reached the top of the wait list and have provided the PHA an email address. This change has significantly increased turnaround time for family approvals as well as decreasing mailing costs.

Fair Housing Goal: Strengthening partnerships with other agencies

Describe fair housing strategies and actions to achieve the goal

During this review period, CMHA has developed a power point about our programs and given over 15 presentations to groups in the community which includes Rotary Club, Kiwanis Club, Child Focus, and the Clermont County Educational Service Center, etc. CMHA has committed to open a PBV RFP multiple times a year to increase landlord participation. CMHA will continue to cultivate partnerships with agencies that serve the hardest to serve populations. CMHA will continue to work closely with HOME to provide annual training to all staff regarding Fair Housing, VAWA and Sexual Harassment.

CMHA has formed a partnership with Interfaith Parish who provide families leaving homelessness with one of their Fresh Start Kitchen. Additionally, GCBHS/Drug Free Clermont offers an after-school program one hour a week at our Monroe Woods location. Starting later this month, Streetlight Ministry is going to provide a dinner to our families at Monroe Woods two times a month for free to combat food insecurity at the family site. CMHA held our first ever back-to-school bash for our Williamsburg Woods families at the end of the summer, which brought families together with resources from over 20 organizations. This year, CMHA is holding the BTS Bash at Monroe Woods this summer, and CMHA hopes to next year do the event at our project-based voucher site, Birney Lane. The BTS is funded solely from unrestricted funds and private donations/goods from the community.
