CLERMONT METROPOLITAN HOUSING AUTHORITY REQUEST FOR PROPOSALS (RFP) for PROJECT BASED VOUCHER (PBV) for NEWLY CONSTRUCTION, REHABILITATED, and EXISTING UNITS RFQ: 2024-0628 PBV

INTRODUCTION

The Clermont Metropolitan Housing Authority (“CMHA” or “the Authority”) was formed in 1967 to provide housing assistance to low-income families within Clermont County, Ohio. The Authority is headed by an Executive Director (ED) and is governed by a five-person Board of Commissioners and is subject to the requirements of Title 24 and Title 2 of the Code of Federal Regulations (hereinafter, “CFR”) and the Authority’s procurement policy. The Authority currently administers rental assistance for over 993 units through the Housing Choice Voucher (HCV) programs. The PHA is now soliciting proposals for Project Based Vouchers (PBV) for **newly constructed, rehabilitated, or existing units** from qualified entities to provide the services described in the Scope of Work to the Authority. All proposals submitted in response to this solicitation must conform to all the requirements and specifications outlined within this document and any designated attachments in its entirety.

SECTION 8: SITE SELECTION STANDARDS

CMHA must consider all factors pertaining to 24 CFR 983.57(b)(1) (i-vii) - Site Selection Standards. Include in your proposal the information below:

1. Whether the census tract in which the proposed PBV development will be located is in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community.
2. Whether a PBV development will be in a census tract where the concentration of assisted units will be or has decreased because of public housing demolition.
3. Whether the census tract in which the proposed PBV development will be located is undergoing significant revitalization.
4. Whether state, local, or federal dollars have been invested in the area that has assisted in the achievement of the statutory requirement.
5. Whether new market rate units are being developed in the same census tract where the proposed PBV development will be located and the likelihood that such market rate units will positively impact the poverty rate in the area.
6. If the poverty rate in the area where the proposed PBV development will be located is greater than 20 percent, the PHA should consider whether in the past five years there has been an overall decline in the poverty rate.
7. Whether there are meaningful opportunities for educational and economic advancement in the census tract where the proposed PBV development will be located.

*The site **must** also meet the HQS site standards at 24 CFR 982.401(l).*

SECTION 9: EVIDENCE OF SITE CONTROL

A deed or other legal document that establishes that the applicant has sufficient ownership rights to the site at the time the proposal is submitted.

SECTION 13: SOURCE AND USE OF FUNDS STATEMENT

(for NEWLY CONSTRUCTED or REHABBED PROPERTY ONLY)

List each permanent financing source separately, indicate whether loan, grant, syndication proceeds, contributed equity, etc. Uses: Should be detailed. Do not use broad categories such as “soft costs.” Acquisition costs should distinguish the purchase price from related costs such as appraisal, survey, titled and recording, and related legal fees. Construction and rehabilitation should include builder profit and overhead as separate items.

SECTION 14: NARRATIVE DESCRIBING DETAILS OF EACH FUNDING SOURCE

(for NEWLY CONSTRUCTED or REHABBED PROPERTY ONLY)

For loans, details should include principle, interest rate, amortization, term and any accrual, deferral, balloon, or forgiveness provisions. If a lender, grantor, or syndicator is imposing reserve or escrow requirements, details should be included in the narrative. If a lender will receive a portion of the net cash flow, either as additional debt service or in addition to debt service, this should be disclosed in the narrative.

Commitment Letters from lenders or other funding sources evidencing their commitment to providing funding to the project and disclosing significant terms. *Proposal letters or letters of intent are not sufficient to meet this requirement.*

Appraisal Report. The appraisal should establish the “as is” value of the property and without consideration of any financial implications of tax credits or project-based voucher assistance.

Stabilizing Operating Pro Forma. Should include projected rental, commercial, and miscellaneous income, vacancy loss, operating expenses, debt services, reserve contributions, and cash flow. The analysis must be projected over a 20-year period. **Tax Credit**

Allocation Letter. Issued by the State tax credit allocation agency, this letter advises the developer of the amount of LIHTCs reserved for the project.

Historic Tax Credits. Some projects in designated historical districts may receive an additional one-time historic tax credit. When applicable, the amount of the historic tax credit should be disclosed.

Equity Contribution Schedule. If equity contributed to the project will be paid in installments over time, a schedule should be provided showing the amount and timing of contributions.

Bridge Loans. If the financing plan includes a bridge loan, appropriate details should be provided when equity contributions are planned over an extended period.
